

## Central PA Jazz Camp

Produced by the Central PA Friends of Jazz

Since the Camp's inception in 2001, CPFJ has collaborated with area College music departments to carry out a three day resident/commuter summer camp for students aged 10 to 21. This year's Camp is a **FOUR DAY CAMP** & features a major **JAZZ CONCERT** on Friday evening with Rodney Whitaker.

The Camp serves music students of all instruments and voices and is taught by the finest professional jazz musicians/educators and administered by Dr. William Stowman of Messiah College.

Students who seriously desire to further their music education and, in particular, learn about jazz improvisation, are all welcome. There is no audition requirement.

For registration and other information please call Messiah College's Department of Music - 717-796-1800, ext. 3030 or CPFJ at 717-540-1010

### Accommodations

Resident participants will stay in Messiah College residence halls and eat their meals at the College's dining hall. Commuters may also eat in the dining hall. See registration panel for pricing details.
